FROM AN INSPIRATION
BY **RUGGERO BADANO**

DO YOU LIKE TO CONCRETELY HELP OTHERS, IN YOUR SCHOOL, GROUP, OR WORKPLACE?

Do you have a solidarity project that you would like to start?

The **Chiara Badano Foundation** has launched the **Solidarity Award**: an annual initiative to promote solidarity projects all over the world. Because every idea is a responsibility.

From a very early age, Chiara showed a true passion for the neediest, the weakest, the most marginalized in society, the elderly and children in particular.

THE AWARD WILL IDENTIFY AN INNOVATIVE PROJECT ON SPECIFIC ISSUES OF SOCIAL IMPORTANCE WITH THE AIM OF DISSEMINATING ITS CONTENTS TO MAKE IT A COMMON HERITAGE.

The aim is to support the project through an economic contribution, to encourage it through effective communication and to open it up to new forms of support.

Even informal organizations and groups consisting of mostly young people can apply for the "SOLIDARITY" award, provided they do so with a project that promotes and supports the culture and practice of solidarity in the social, health and environmental fields.

We kindly request that all participating groups complete:

The registration form, along with a detailed description of the project and the presentation video, which must be received no later than **20 January 2026, 12 noon CET**.

The **award ceremony**, in person or online, with the public presentation of the winning project, will take place on **October 29, 2026, in Sassello**.
